

Welcome to Class Rabbits

We hope that you have had a lovely summer break and the children are refreshed for the new term!

Our Curriculum Overview below will inform you of what the children will be learning this term as well as the Quality Texts that they will be reading, linked to our topics.

During our PE sessions this term our sports coach from JB Sports Coaching will be teaching Fundamental Movement Skills. This will help the children to master basic movements such as, running, jumping, throwing & catching, as well as developing balance, agility & coordination.

Please ensure that full PE kits are named and kept in school on this day.

Book bags, reading books and water bottles should be brought to school every day and homework is to be returned to school on Friday please.

We encourage you to read at home with your child as **often as possible**, as your support will help their progression. Please write a short comment in their reading journal so that we can see when and how they have read with you.

If you have any questions, please speak to a member of staff when dropping off or collecting your child.

Thank you for your continued support with your child's learning as we look forward to a wonderful term.

Mrs Payne
