

The Class Hedgehogs (EYFS)

Geographer

Understanding the world
(People, communities and the World)

2. Place Knowledge

What can be the same/
different between families?

Understanding the World (People and Communities): Children know about similarities and differences between themselves and others, and among families, communities and traditions

How am I the same
and/or different from
others

Understanding the World (People and Communities): Children know about similarities and differences between themselves and others, and among families, communities and traditions

How is where I live the
same/ different to
where other people live?

Understanding the World (The World): Children know about similarities and differences in relation to places, objects, materials and living things. They talk about the features of their own immediate environment and how environments might vary from one another.

What is the
same different
between the
communities
and traditions I
learn about?

Understanding the World (People and Communities): Children know about similarities and differences between themselves and others, and among families, communities and traditions

How are some
environments the
same and/or
different from
others?

Understanding the World (The World): Children know about similarities and differences in relation to places, objects, materials and living things. They talk about the features of their own immediate environment and how environments might vary from one another.
